THANKS
- FOR -
GIVING
TRIBUTE

This year, we are thanking Cal Prussman and our steadfast road crew who do a fabulous job with our roads, whether in the heat and sun of a summer's day or the cold and ice of a winter's night, you can always depend on them for keeping us safe and able to reach our destinations. Thank you to Newbury's dedicated crew.

Please remember to bring much needed food items to replenish the Newbury Food Pantry. Refreshments to follow program.
